

Tutorial install flowgorithm :

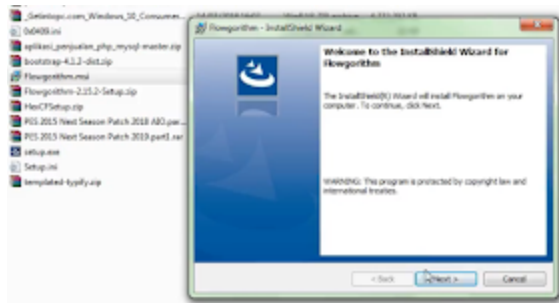

1. Buka Start Windows di bawah pojok kiri.

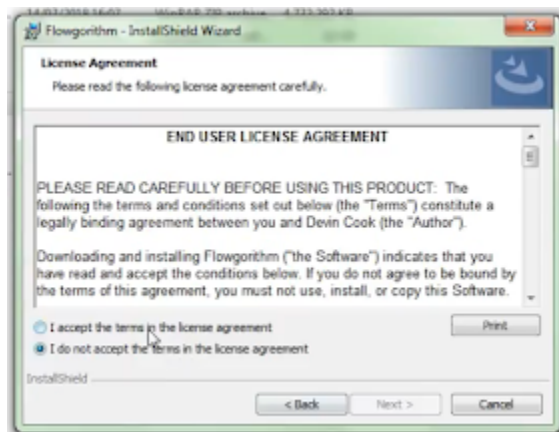

2. Cari tempat folder software-nya, jika belum memiliki master instalasi silahkan download dulu..

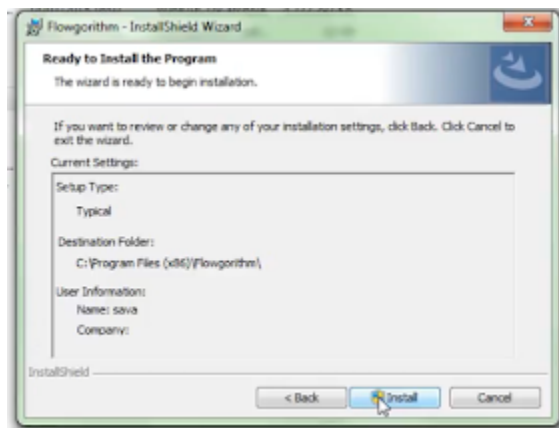

3. Silahkan buka dulu file flowgorithm.rar dan bisa juga di ekstrak di luar folder

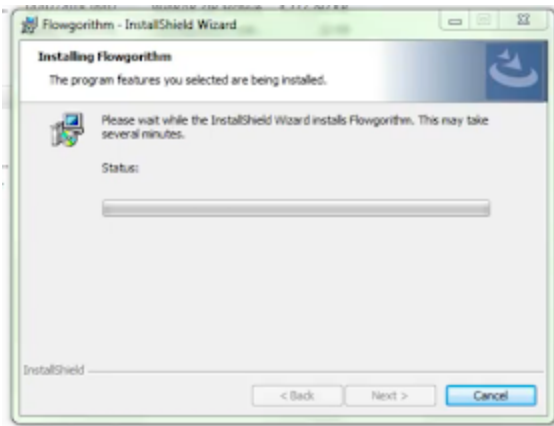

4. Klik dua kali file setup.msi atau flowgorithm.msi. Klik next.

5. Pilih "I accept the terms in the license agreement . Klik next.

6. Klik install. Bila loading install sudah penuh, maka Klik Finish.

7. Berikut tampilan flowgorithm-nya.
